## CONTENTS IN BRIEF

**Effect of thoracoscopic resection of esophageal carcinoma with preservation of pulmonary branches of vagus nerve on postoperative pulmonary infection**  
..... *LIU Yi, HE Dan, GAO Shengli*(409)

**Experimental study of transforming growth factor  $\beta$  sub-type and  $\alpha$  smooth muscle actin expression after ureteral thermal injury**  
..... *LIU Xin, SUN Yihai, TANG Shen, et al*(412)

**Correlation between risk factors of atherosclerotic cerebral infarction and mean platelet volume**  
..... *MEI Yujia, LUO Jiefeng, HU Ruiting*(415)

**Bibliometric analysis of interventional treatment for pulmonary embolism based on CNKI**  
..... *WEI Xiaoxiang, LU Wenxian, ZHONG Shiyong*(419)

**Effect of hysteroscopy combined with laparoscopy on tubal obstructive infertility**  
..... *HUANG Pengchong, LI Chenhui, XUE Lingling*(422)

**Repeatability and consistency of three instruments for measuring corneal curvature: a comparative study**  
..... *XUAN Zhongning, LI Li, LAI Liping, et al*(426)

**Correlation between craniomaxillofacial changes and profile improvement after orthodontic treatment in patients with class II high-angle malocclusion**  
..... *ZHANG Daling, ZHOU Yan, WANG Yuanyuan*(430)

**Trauma difference among three thyroid surgery procedures: a prospective, randomized-controlled trial**  
..... *JIAN Chenxing, WU Limin, ZHENG Zifang, et al*(435)

**Efficacy of percutaneous nephrostomy combined with antegrade flexible ureteroscopy for treating ureterointestinal anastomotic calculus after Bricker procedure**  
..... *GE Jianzhang, FU Fajun, LIU Yuming*(440)

**Efficacy of endoscopy for treating patients with acute exacerbation of chronic obstructive pulmonary disease**  
..... *DENG Yixin, WEI Suqiao, SHI Wei, et al*(443)

**Efficacy of interventional embolization versus craniotomy and clipping for treating anterior communicating aneurysm: a comparative study**  
..... *LIN Xiong, LU Mingxiong, YE Jing, et al*(446)

**Application of fiberglass post bond bridge in fixed denture restoration** ..... *Xue Gang*(449)

**Risk factors for ureteral injury in ureteroscopic holmium laser lithotripsy**  
..... *LIN Jun, WANG Jian, MI Hua*(452)
